## VELCRO® BRAND FREE MAGIC™ SELF-ENGAGING FASTENING TAPE

Also known as: “Omni-Tape” or “One-Sider”

A single component of hook & loop fastener offering a unique alternative to conventional strapping methods. By weaving alternating rows of nylon hook & loop on the same surface side, the material becomes a one-piece fastener.

- Soft against the patient’s skin.
- No stitching or sonic welding needed.
- Reduces lint contamination on brace.
- Instant face-strap, which can be custom fitted to the patient.
- Great for clinic and hospital use, just cut and apply.
