WEBBINGS

IMPRINTED SPECIALTY WEBBINGS

Webbings with woven imprints are now available in 5 styles and 27 different colors. Choose from Cord, Classic, Gold, Premium, and Platinum types as described below.

CORD

Slim, lightweight webbing with your one-color custom imprint woven into both sides of the cord. Smaller 3/16" width features a dense weave to allow for more text and simple designs.

CLASSIC

Features a one-color woven imprint on one color webbing. Offers a bold design with an economical price.

GOLD

Has the look and feel of the "Classic," with a higher resolution woven imprint. Provides more solid text and design clarity. Choose from a one or two-color print.

PREMIUM

Offered in 1/2" or 3/4" widths, the "Premium" has exceptional resolution and finer definition combined with the durability and strength of traditional polypropylene. Features a one-color woven imprint and soft touch feel.

PLATINUM

Features up to three-color woven imprint on a one-color webbing. Available in 1/2", 3/4" and 1" widths with a one or two-sided imprint.
